

Fundraising with the Charity Miles App

The Charity Miles App

The Charity Miles App is a free iPhone and Android app that helps you log your miles and turn them into support for the Leukemia Research Foundation. Here's a quick guide for navigating the app.

Homepage

- » Track your steps and see how many days in a row you have used the Charity Miles App.
- » The app works like a fitness tracker and syncs with your phone's motion sensor and GPS.

Activity tracker

- » Track your RUN, WALK, or CYCLE.
- » Take a photo and share with your friends and family by swiping-up during an activity and taking a selfie.

Teams

- » Join the Leukemia Research Foundation group to see your progress and track other members.

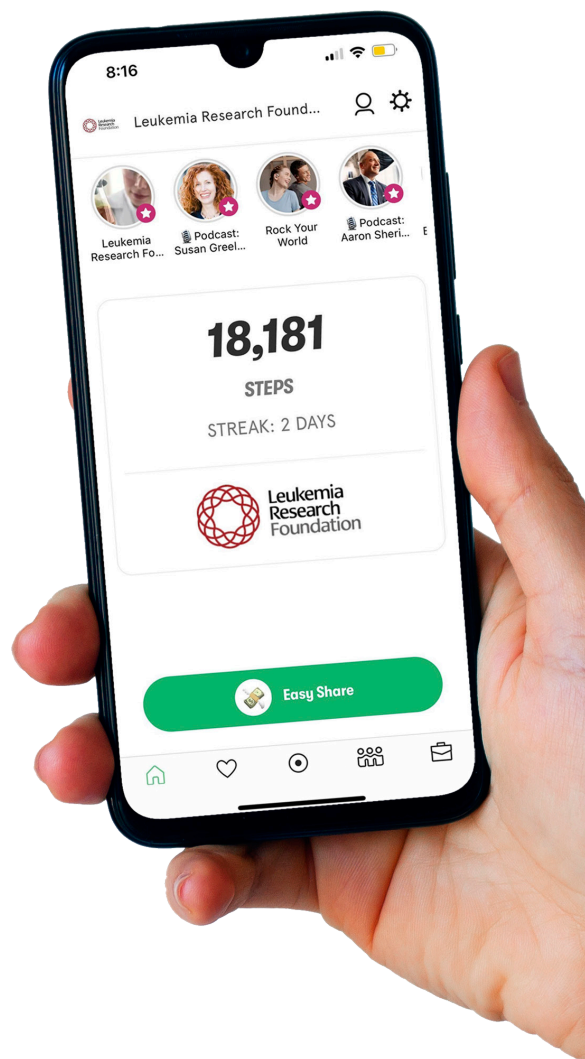

Turn steps into donations

- » Share to raise awareness and ask your friends and family to support you.

Get started today!

Scan the QR code at the right to download the Charity Miles App – it will automatically connect the Leukemia Research Foundation as your charity.
